Brighton Solutions, Inc. (BSI) is conducting the section 804.2, Post-Construction, Pre-Occupancy Baseline IAQ Testing portion of the 2012 City of Dallas Green Ordinance for projects in the City of Dallas. BSI owns, maintains, and uses the latest state of the art testing equipment on the market and therefore can respond to your projects needs with little lead time! In most cases, testing reports will be in your possession by the next business day!
